

Ben Kreager

Beloit, WI | 608-290-8787 | bkreager220@yahoo.com

Professional Summary

Aspiring front end web developer with a foundation in HTML, CSS, and JavaScript and a strong background in communication, teamwork, and leadership. Known for collaborating effectively, adapting quickly, and building clear, user focused interfaces.

Technical Skills

HTML5, CSS3, JavaScript (ES6+, DOM manipulation)

Responsive Web Design (mobile first design, Flexbox, CSS Grid)

PHP, MySQL

WordPress

Git and GitHub

VS Code

Microsoft Office, Google Workspace

Projects

Responsive Portfolio Website

Built a personal portfolio website using HTML, CSS, and JavaScript to showcase projects and technical skills. Designed with a mobile first layout and responsive navigation. Link coming soon.

Product Discount Calculator

Developed a web application using PHP and HTML forms that calculates product discounts and sales tax. Implemented server side validation and formatted outputs for user friendly results.

Rock County Fitness Hub (In Progress)

Developing a full stack fitness web application that allows users to access workout plans, fitness calculators, and progress tracking tools. Built using HTML, CSS, JavaScript, PHP, and MySQL with a focus on responsive design and user friendly interfaces. This project serves as the primary capstone project for my Web Development program and is expected to be completed in 2026.
